OVERDRIVE MECCA AUTOMATIC EDITION

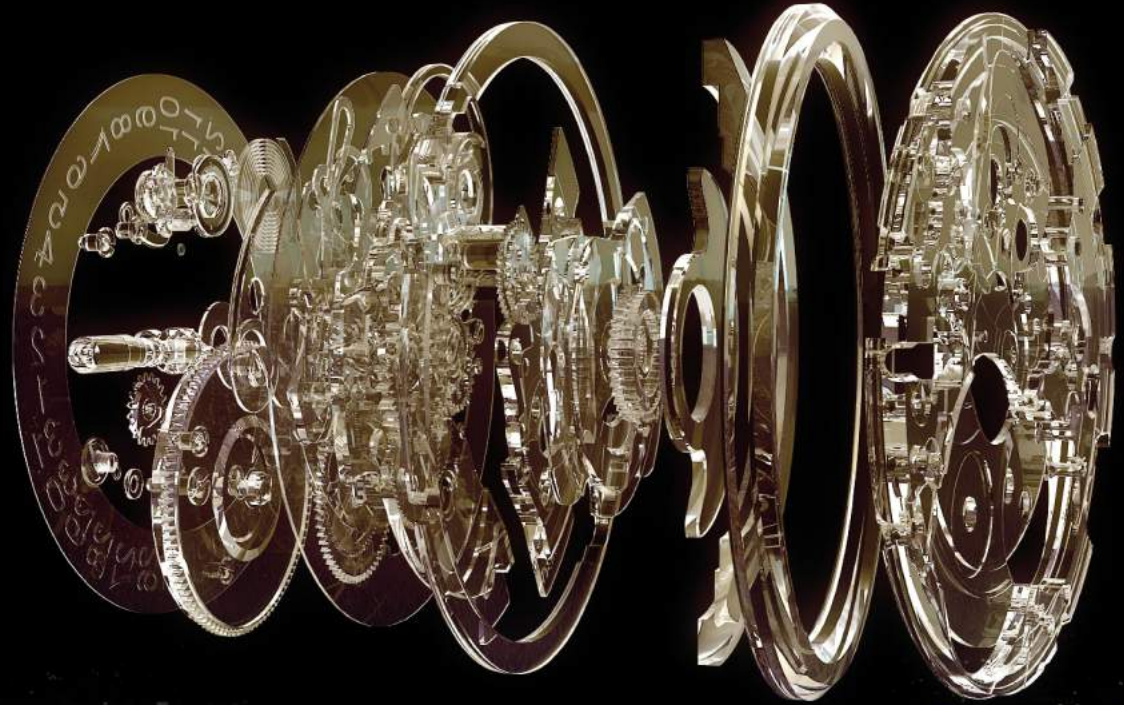

Building on the success of one of our most iconic watches, the all-new Overdrive Mecca is a fully automatic movement, draped in forged carbon fiber that features patterns that echo the strength of Damascus Steel. The watch face features a highly durable anti-reflective sapphire glass lens that peers into a dial with 3D embossed features.

MECCA
AUTOMATIC EDITION

Only 200 numbered watches each are available from this collection, with each model having either a silver or a gold trim.

PRECISION AUTOMATIC MOVEMENT

An exquisite automatic movement featuring 24 jewels and a manual winding function for those extended weekends.

Revolutionary Strap Technology

Accessorise on the go. Easy to use and designed to please, Overdrive's unique quick-release watch straps can be interchanged effortlessly, in just seconds.
