Overdrive Carrera

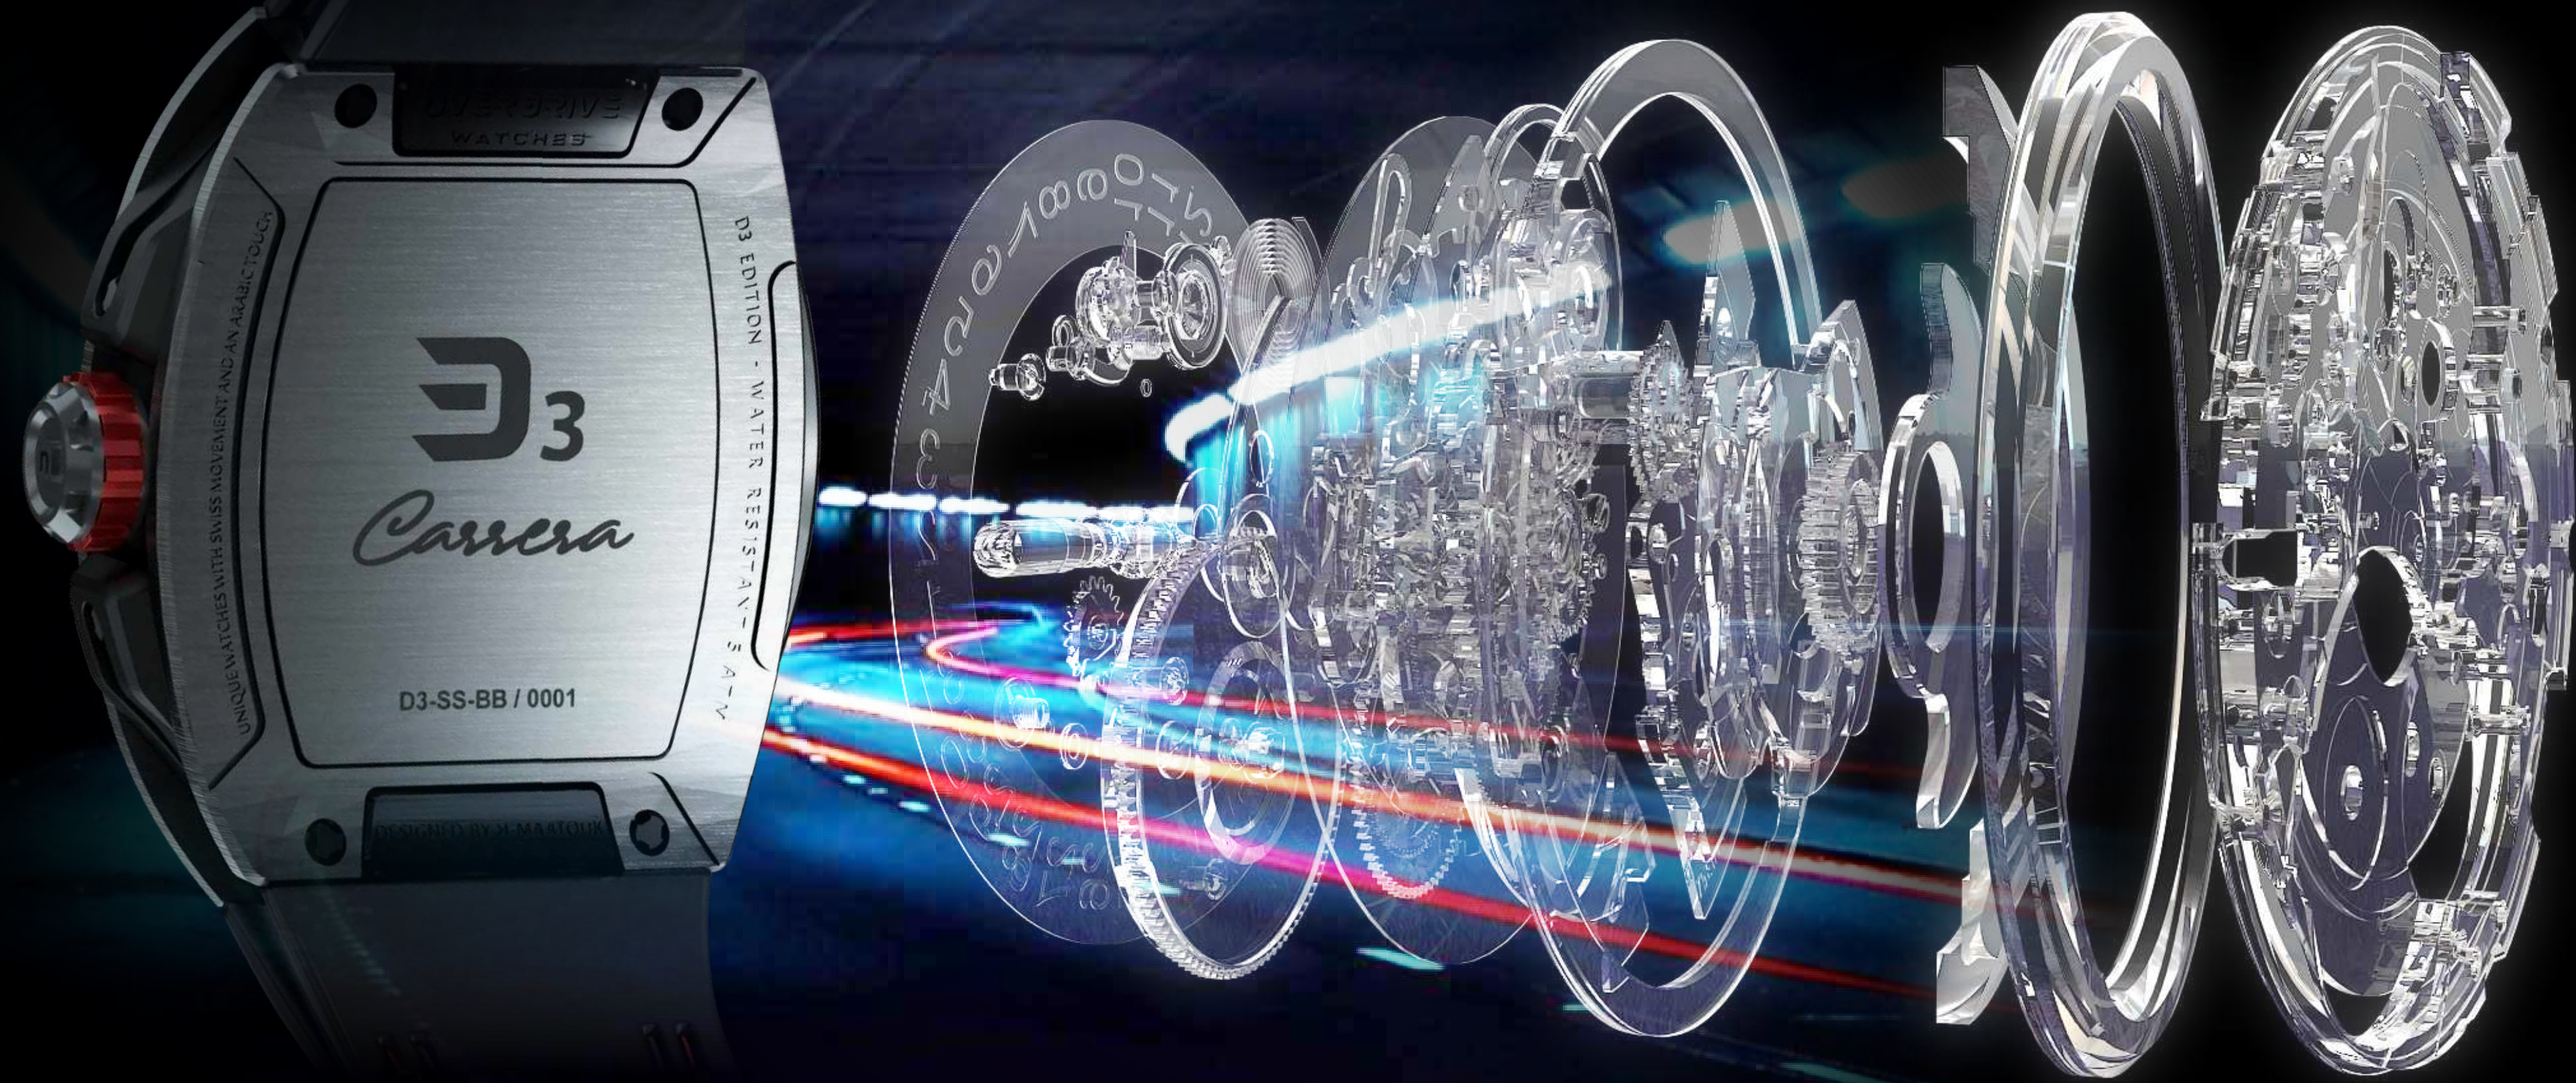

The Overdrive Carrera D3 edition is a statement watch that stands out in any environment. Bold hues merge with world-class materials to deliver the perfect balance of style and durability.

Carrera

Inspired by performance

Available in a range of dynamic tones, each variant is inspired by traditional racing colors that have dominated motorsports for over a century.

The self-winding skeleton mechanism

A windable, movement with 41 hours of reserve power and a hacking function to ensure greater accuracy.

Revolutionary Strap Technology

Quick-Release Straps allow you to change your look in an instant. Just click to release, and click back in to attach your new strap.
